

90 DAY DEFERRAL

Delay payments for 3 months on HPE SimpliVity 380

HPE Financial Services can help you fund your transformation and rethink your IT investment and consumption strategies.

Don't delay, this promotion expires on October 31, 2020

HPE SimpliVity combines all your IT infrastructure and advanced data services in a single, integrated hyperconverged solution. **Guarantee** data efficiency, gain 80% more time to spend on innovation, and remove IT service delivery roadblocks with an offering that costs a fraction of that of traditional and public cloud solutions.

- Qualifying transactions start at a minimum of 15,000 USD

ELIGIBLE EQUIPMENT

- HPE SimpliVity 380
- Offer may be combined with other HPE servers, storage and networking hardware.
- Select non-hardware items (e.g., software, software appliances, services, and installation) may be bundled at standard rates; subject to credit approval.

90 DAY DEFERRAL

- No payments for up to 90 days, followed by 36 low monthly payments
- Offer valid for Fair Market Value agreements
- Deferral option applies to HPE solutions only
- Offer cannot be combined with any other promotions from HPE Financial Services
