

# Hardware Recycling Program for Customers

## Service access information, Middle East and Africa

### Eligibility

- Offer applies only to Hewlett Packard Enterprise partners and business customers.
- HPE or other brands of Information Technology (IT) hardware are eligible.

- Israel
- Kuwait
- Oman
- Qatar
- Saudi Arabia
- South Africa
- United Arab Emirates

### Services provided

- Collection of equipment from the customer's location and transportation to a Hewlett Packard Enterprise authorized processing facility, or identification of the nearest associated drop-off location.\*
- Recycling in compliance with **HPE standards**. Note: If you wish to review HPE **reuse** programs, see "Trade In" and "Return for Cash" headings at [hpe.com/recycle](https://hpe.com/recycle).
- Certificate of processing.\*
- Where national legislation dictates that other services should be offered, we will adapt our service to be compliant.

### Request take back service or price quote

To request IT hardware recycling services or a price quote, Hewlett Packard Enterprise business customers should complete the form at the link below.

#### Note:

- The link will open a service request form managed by a contractor to HPE.
- If you use the HPE IT Hardware Recycling Program, you agree to the **Terms and Conditions**.

**Click here** to request recycling services or a cost quote.

\* Note: Collection and transportation service may incur cost if not required under national legislation. Special services required by a customer such as serial number capture also may incur costs. Costs will be determined and quoted individually based on current market prices.

### Countries served (Middle East and Africa)

This document covers services in the following Middle East and Africa countries. For other countries, see [hpe.com/recycle](https://hpe.com/recycle).
