

Simplify how you invest in storage technology

HPE MSA 1040 Storage Financing¹

HPE Financial Services can help customers find new ways to plan for, acquire, consume and adapt the technology systems needed for business transformation.

Access to the right storage solution for your business should be as efficient as the technology itself. The bar has been raised, as the New Style of Business has evolved storage needs for greater speed and functionality in order to achieve business results.

A simple investment strategy can give you the agility to access industry-leading technology like [HPE MSA 1040 Storage](#) with the speed to optimize your business performance.

Why leverage a predictable monthly payment?

- Provides financial flexibility to scale up your business
- May help mitigate the financial risk of your IT transformation
- Enables IT refresh cycles to keep up with latest technology
- May help improve your cash flow

- Offers predictable monthly payments as low as \$155.00 USD* which can help you stay within budget

How does it work?

- Talk to your HPE Sales Representative about acquiring HPE MSA 1040 Storage using a predictable monthly payment
- Expand your capacity easily with a simple add-on payment
- Add spare disk drive capacity needed for even greater agility
- Set your payment terms based on your business needs
- After an agreed term, you'll be able to refresh your technology
